OLD FALLS STREET HOSTS HOLIDAY TREE LIGHTING EVENT ON DEC. 3, ANNOUNCES STUFF-A-BUS FOOD DRIVE AND BREAKFAST WITH SANTA

Niagara Falls, NY (Nov. 25, 2013) – Old Falls Street, USA, the three block thoroughfare connecting Niagara Falls State Park with the Seneca Niagara Casino & Hotel in Downtown Niagara Falls, is once again lighting the trees along its three city blocks in thousands of white LED lights for the holiday season. To mark this occasion, the public is invited to attend the annual Old Falls Street Outdoor Tree Lighting event, on Tuesday, Dec. 3, from 5:30 to 7:30 p.m. The event begins with the arrival of Santa Claus on a Niagara Falls fire engine to officially illuminate Old Falls Street.

After a brief outdoor ceremony, the public will be invited inside The Conference & Event Center Niagara Falls to enjoy live music by the Celtic Circle Ceilidh Band, a visit by Old Falls Street's mascot – Watler Falls, children’s face painting, a balloon artist, and complimentary doughnuts, hot chocolate and coffee. Guests will also be able to tour The Conference & Event Center’s new photography exhibit, “Snapshots: Roaming the Niagara Frontier,” by Niagara Gazette photojournalist, James Neiss. Various vendors will also be on hand for those who are looking to purchase unique holiday gift items.

Non-perishible food items will also be collected that evening to be donated toward the 4th Annual Stuff-a-Bus Food Drive, being held on Dec. 6. (More information on Stuff-a-Bus is listed below.)

“On behalf of Global Spectrum, we are happy to illuminate Old Falls Street’s trees once again this year in what has become a new holiday tradition in Downtown Niagara Falls,” said Global Spectrum’s Ryan Coate, general manager of Old Falls Street, USA and The Conference & Event Center Niagara Falls. “This year’s additional programming held inside The Conference & Event Center will allow our guests a place to mingle and spread holiday cheer. Afterward, we encourage our guests to visit the giant student-made gingerbread house inside the Niagara Falls Culinary Institute and other neighboring restaurants for dinner that evening.”

Old Falls Street’s outdoor tree décor was designed by Harris & Lever Florists, with special electrician assistance by the City of Niagara Falls and the Local IATSE 121 Stage Union.
